Senior Robotics

This past weekend's robotics competition at Claude Robillard Sports Complex was a real success. We wish to thank all staff, mentors, and the administration who helped out and supported the students over the 10 week period. A special thank you to all parents and staff who showed up to support our students over the weekend and for the growing support this wonderful program is gaining in our school encouraging innovation in science and technology. A big thank you to all the student team members for their hardwork and dedication. Can't wait to work with you all again next season!!!
