

The image shows the exterior of LaSalle Community Comprehensive High School. The building has a modern design with a grey, textured facade and large windows. A Canadian flag is visible on the left side of the building. In the foreground, there are concrete steps leading up to the entrance, flanked by metal railings. A large, semi-transparent blue circle is overlaid in the center of the image, containing the school's name and logo. The logo depicts a figure in a dynamic pose, possibly a basketball player, with the letters 'LCCHS' below it.

Month of September will be selected by the IB English teachers at the end of the month!

Open-minded

Students who are open-minded understand and appreciate their own cultures and personal histories, and are open to the perspectives, values and traditions of other individuals and communities.
