This month we are looking to celebrate the IB learner profile trait of being an **“OPEN MINDED”** IB student.

Month of September will be selected by the IB English teachers at the end of the month!

Open-minded

Students who are open-minded understand and appreciate their own cultures and personal histories, and are open to the perspectives, values and traditions of other individuals and communities. They are accustomed to seeking and evaluating a range of points of view, and are willing to grow from the experience.
