

The image shows the exterior of a school building with a modern, geometric facade. A large blue circle is overlaid on the center of the image, containing the school's name and the title of the publication. The building has a brick base and a grey upper section with decorative panels. A Canadian flag is visible on the left side of the building. The sky is clear and blue.

IB learner profile of the month is Back!! (SEPTEMBER)!!!!

This month we are looking to celebrate the IB learner profile trait of being an **“OPEN MINDED”** IB student.

Month of September will be selected by the IB English teachers at the end of the month!

Open-minded

Students who are open-minded understand and appreciate their own cultures and personal histories, and are open to the perspectives, values and traditions of other individuals and communities. They are accustomed to seeking and evaluating a range of points of view, and are willing to grow from the experience.
