

The image shows the exterior of a school building with a modern, geometric facade. A large blue circle is overlaid on the center of the image, containing the school's name and the title of the publication. The building has a brick base and a grey upper section with decorative panels. A Canadian flag is visible on the left side of the building. The sky is clear and blue.

The background of the entire image is a dense, overlapping collage of newspaper clippings. The text within these clippings is mostly illegible due to the high contrast and overlapping nature of the images, but some words and phrases are visible, such as 'The... of...', 'The... of...', and 'The... of...'. The overall effect is a textured, historical-looking backdrop.

## Approaches to learning Tip of the Week: Managing stress and Anxiety.

**Skill Focus: Self-Management**

Tip: Practice Mindfulness Meditation

How to Practice:

**Find a Quiet Space:** Choose a quiet and comfortable place where you won't be disturbed.

**Set a Timer:** Start with just 5 minutes and gradually increase the time as you get more comfortable.

**Focus on Your Breathing:** Close your eyes and take deep, slow breaths. Pay attention to the sensation of the air entering and leaving your body.

**Acknowledge Your Thoughts:** If your mind starts to wander, gently bring your focus back to your breathing. It's normal for thoughts to arise; acknowledge them without judgment and let them pass.

**Practice Regularly:** Try to incorporate this practice into your daily routine, perhaps in the morning or before bed.

**Why It Helps:** Mindfulness meditation can help reduce stress and anxiety by promoting relaxation and increasing your awareness of the present moment. Over time, it can improve your ability to manage stress and enhance your overall well-being.

*“Peace is not the absence of conflict, but the ability to cope with it.” – Mahatma Gandhi.*
