As we enter winter, many people are forced to live on the streets because they cannot afford to buy a home at this time of year. Being said, we would like to give back to the community and help make sure that everyone has a warm winter.

From now all the way up to christmas break, everyone is encouraged to bring in CLEAN AND NEW, NOT USED AND DIRTY SOCKS. We are attempting to participate in the stepping up program

Approaches to learning Tip of the Week: Math ATLs:

Critical Thinking:

Break down complex problems into smaller, manageable parts and evaluate different strategies to solve them. (*identify, break it down, possible solutions, implement, reflect, practice regularly*)

Self-Management:

Develop resilience and persistence when faced with challenging problems. (*tutorials, positivity, learn from experience, set realistic goals*)

Communication:

Use appropriate mathematical terminology and symbols to express ideas clearly.

Collaboration:

Work effectively with peers to solve problems and share different approaches and solutions. (*listen actively to others, peer study groups*)

Creative Thinking:

- 1) Think outside the box to find unique solutions to problems.
- 2) Use diagrams, graphs, and other visual tools to understand and solve problems.

IB learner profile of the month ! (NOVEMBER)!!!!

This month we are looking to celebrate the IB learner profile trait of being good **“RISK TAKER”**.

ATLs will be based on:

Grade 7-8
Social-Collaboration
Communication-Interaction

Grade 11
Critical Thinking

Month of November will be selected by the IB Physical and Health Education teachers at the end of the month!

Students who are risk-takers are willing to step outside their comfort zone and try something new in the hopes of gaining new knowledge or additional skills. They are comfortable being challenged and welcome opportunities to explore new ideas.
