Rainbow Day - Dress-Down

Friday, April 25th is a dress-down day. Wear a colour of the rainbow to raise awareness about issues facing the LGBTQ+ community.

What do the colours of the flag mean?

BLUE

Blue represents serenity; the ability to feel calm. Blue is known as a relaxing color that soothes the soul.

BLACK & BROWN

Black and Brown represent people of colour. It wasn't until recent years that our society acknowledged that the pride movement originated thanks to Black trans activists such as Marsha P. Johnson, who fought back against police at the Stonewall Inn in June of 1969.

PURPLE

Purple represents spirit. Purple is often thought of as a regal, royal color that, on its own, denotes pride.

Gender & Sexuality Alliance

To all 2SLGBTQI+ students & allies, come join our Gender & Sexuality Alliance (GSA) meetings! The GSA is a safe and inclusive space where we can come together to support and celebrate diversity.

A blue pen lies on the paper. The word 'Nurse' is written in large, blue, cursive letters on the paper. The entire scene is set against a background of a pink grid with a blue ECG line.

Girls Flag Football

The girls had their first game on Thursday and managed to come out with a 19-1 win.

Ella Graham-Roache did Ella-like things scoring 2 long touchdowns. Nalayah Clyke showed she will be a big time player scoring a 60-yard touchdown, while Rowan Devlin joined in on the fun with a convert reception.

The defense obviously played very well with Gabriella DeFazio chipping in with 3 interceptions.

Great job girls, all that practice is paying off.

Next game April 29th.

Approaches to learning Tip of the Week: Proper Research and Citing Original Work

Skill Focus: Research

Understand the School Academic Integrity Policy: Familiarize yourself with types of academic misconduct and strategies to practice creating original work. (**See *updated Academic Integrity policy on our school website under the IB tab***)

Keep Track of Your Sources: Use tools like a simple google doc to keep track of all your sources. Record all necessary details (author, title, publication date, URL) as you gather information. If proof of original work is requested by your teacher, provide all evidence and drafts. The burden of proof rests with the student.

Paraphrase and Summarize: Instead of copying text, paraphrase or summarize the information in your own words. Even when paraphrasing, always provide a citation to the original source. **This also applies to the use AI technology.**

Properly Attribute Images and Media: Always provide proper attribution for images, videos, and other media. Include the creator's name, title, source, and license. Use tools like Google Images' usage rights filter to find images that are free to use.

If you have any questions, feel free to ask your teachers or Ms. Molly our School librarian.

Why It Helps: Creates a school climate of enhancing credibility and integrity and

“Integrity is doing the right thing, even when no one is watching.”
— C.S. Lewis
