

The background image shows the exterior of LaSalle Community Comprehensive High School. The building has a modern design with a grey, textured facade and large windows. A Canadian flag is visible on the left side of the building. In the center, there is a large blue circular overlay containing text. The text is white and black, providing the school's name and the title of the publication. The date and day of the publication are also included at the bottom of the overlay.

# Girls Flag Football

On a very hot day the team managed to win 9-6 over Westmount despite girls playing out of position due to injuries.

Michelle Gayle had her best throwing day thus far by completing a beautiful pass to Nalayah Clyde for a touchdown and Rowan Devlin caught a 1-point convert to pull further ahead.

Newcomer Giulia Fabrizio rounded out the scoring with 2 punts in the endzone for 2 points.

Great job girls fighting for this win!!!

We need to practice but we are running out of time.

# STM x LCCHS Bus Network Redesign Online Survey

Your opinion could influence  
positive changes towards our  
STM school bus network!

## What to expect?

All survey information gathered will  
potentially go towards designing the new  
STM école bus network for LCCHS.

We will keep you updated of any further  
changes.

For more information, contact:

Dustin Flores-Ranger - dustinqwr@gmail.com

## Primary objectives of the redesign:

- To reduce crowding on busy routes.
- To introduce more school services.
- To make sure our school routes are accessible within walking distance.

\*not all are fully guaranteed

**All students who use  
public transit should  
participate**

## Approaches to learning Tip of the Week: Proper Research and Citing Original Work

**Skill Focus: Research**

**Understand the School Academic Integrity Policy:** Familiarize yourself with types of academic misconduct and strategies to practice creating original work. (**See *updated Academic Integrity policy on our school website under the IB tab***)

**Keep Track of Your Sources:** Use tools like a simple google doc to keep track of all your sources. Record all necessary details (author, title, publication date, URL) as you gather information. If proof of original work is requested by your teacher, provide all evidence and drafts. The burden of proof rests with the student.

**Paraphrase and Summarize:** Instead of copying text, paraphrase or summarize the information in your own words. Even when paraphrasing, always provide a citation to the original source. **This also applies to the use AI technology.**

**Properly Attribute Images and Media:** Always provide proper attribution for images, videos, and other media. Include the creator's name, title, source, and license. Use tools like Google Images' usage rights filter to find images that are free to use.

If you have any questions, feel free to ask your teachers or Ms. Molly our School librarian.

**Why It Helps:** Creates a school climate of enhancing credibility and integrity and

“Integrity is doing the right thing, even when no one is watching.”  
— C.S. Lewis

# IB learner Traits for the month of May!

# Reflective -Visual Art Caring- Service and Action

## Reflective:

We thoughtfully consider the world and our ideas and experiences. We work to understand our strengths and weaknesses to support our learning and personal development.

## Caring:

We show empathy, compassion and respect. We commit to service, and we act to make a positive difference in the lives of others and in the world around us.
