

LCCHS HOWL

FIRST DAY FOR SEC ONES

It was a fun day on August 29th, when all sec ones came in and had their first day at LCCHS! They first were escorted to the auditorium with the leadership students showing the way. Then they followed their Day 1 schedule and had a chance to meet all their teachers. For lunch, the new students and their parents participated in a BBQ. Afterwards, the students were brought to the small gym ready to make a poster board in order to participate in a fun afternoon of activities all over the school. They earned points and received a piece of puzzle at each station. The objective was to get them to discover LCCHS before it got too crowded. Though it was a very warm day, everyone had fun. Orientation Day was a success!

JUNIOR ACTIVITY WEEK

Junior Activity Week took place, a few weeks ago during the week of October 9th. It was organized and ran by the secondary 3 and 4 Leadership classes. Mini games were prepared and the juniors played in order to get a raffle ticket, which gave them a chance to win prizes. This event was a success, everyone had fun and new people were introduced. Junior Activity Week brought life back into the mall area, which was the goal of this event.

MATH FIELD TRIP

On Wednesday, October 10th, students from Mr Chatterton and Mrs De Wolf's math classes attended a field trip in the Old Port of Montreal. It was a Scavenger Hunt all over Old Montreal. Each team had to go to the 17 different stations, collecting information, measuring, calculating different parameters and write down all their answers to bring to their teachers afterwards. The groups with the most correct answers received a bonus of 4 points in their final term mark.

Halloween

The week of Halloween was filled with activities, contests, sweets and fun! From October 29th to 31st fun games were organized on both Junior and Senior lunches by our levels 3 and 4 Leadership students. Many students participated and enjoyed the entertainment.

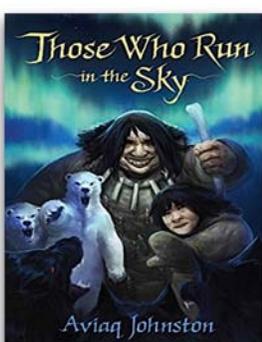

On October 31st, students and staff showed their sense of humor and creativity through their awesome costumes and carved pumpkins. Prizes were attributed to the scariest, funniest, best couple and best group costumes. Congratulations to Ms Kavanagh's class for winning the pumpkin carving contest!

TURTLE ISLAND READS

Ms Beaudoin's secondary 4 English Language Arts class is participating in this year's third annual *Turtle Island Reads* - a CBC / LEARN Quebec / McGill University collaborative initiative to promote Indigenous literature in secondary schools.

On Wednesday, September 19th, students were invited to attend McGill University for the program's launch, where published First Nations authors discussed the power of storytelling, traditional drumming and singing was played and literary prize finalist were announced.

LCCHS will be paired up with Inuit actress and activist Lucy Tulugarjuk who will be advocating for the novel 'Those Who Run in the Sky' by Aviaq Johnston. A story of adventure and magic told from an Inuit tradition.

TERRY FOX RUN

The month of September at LCCHS wouldn't be complete without the Terry Fox Run! On Friday, September 21st, students and staff were able to enjoy the beautiful weather on the bike path near the river.

We raised over 6200\$ and the grade 9's were rewarded with a Dress Down Day on October 19th for having raised more than 1800\$. Way to go LCCHS!

FALL GREETINGS FROM CFER LASALLE

CFER LaSalle is a pathway program which is focused on the development of renewable energy, preserving the environment, and recycling. The CFER network is sponsored by various organizations including; Hydro-Quebec, Desjardins Group, and Rona. We were excited to host Guy Cormier last week who is the CEO and president of Desjardins Group. He visited the school spoke with our team and topics like perseverance and the importance of having a positive attitude/mindset. If you would like to know more about what we do in the workshop/CFER, stop by C169 and ask us for a tour!

NEXT OPEN HOUSE DATES

ENA (ECOLE NATIONALE D'AEROTECHNIQUE)

Sun., November 11, 2018 10:00 – 3:00PM

WEST ISLAND CAREER CENTRE (WICC)

Tues., November 20, 2018 6:00 – 8:00PM

INDIGENOUS CULTURAL FAIR

On **Wednesday, October 16** during both lunches in the mall area the wolf pack was very proud to welcome back the **Buffalo Hat Singers** to share their wonderful Indigenous drumming, singing and dancing talents with us.

Students were entertained and exposed to the beautiful sounds and lessons of this very talented group.

What a wonderful way to celebrate our diverse community!

Miigwech!

QUEBEC ROOTS

Last year, the Phoenix students with the collaboration of Ms Lumi participated in the **Quebec Roots** program.

Quebec Roots is a program that encourages students to express themselves freely through writing and talk about issues that are important in their eyes.

Our students had the chance to work with well-known author Monique Polak and a professional photographer, Monique Dykstra. Their work was published in **Quebec Roots 2018** edition. You can check out the outcome on the board next to the library.

ROBOTICS

Starting next week, LCCHS will serve as technology mentors to grades 4, 5 and 6 and LaSalle Elementary Senior.

LEGO robotics will take part in a LEGO competition at Riverdale High School on November 15th.

SPORTS TEAMS

Congratulations to our girls Midget Soccer team for winning the finals and bringing back a GMAA banner!!

A WORD FROM OUR NEW FSST

Hi! My name is Ms. Joanne and I will be replacing Ms. Charlene!

I am happy and excited to join the team here at LCCHS! This used to be my former high school in which I graduated from! I am actually still on the wall in one of the grad pics! I look much better now!

I was born and raised in Lasalle and I am proudly still living in the community. I believe we can be whoever we want to be if we just keep on the right track with the right people! Some of you may have seen me around but I am looking forward to meeting you all!

Sincerely,
Ms. Joanne

SHORT STORY

The White's moved into a temporary place to stay for the husband's job, none of them wanted to be here but they needed the money for once. Helen and her brother Johnny were the only ones in the house that night, that heard crying and a man yelling; then *they* were crying.

To be continued...

HA! HA! HA!

Join the Google Classroom Clean Cooking class for recipes: **rxukzw7**.

LE SAVIEZ-VOUS?

Nous naissons avec 300 os dans notre corps, mais une fois adultes, il ne nous en reste que 206.

FUN FACT

Did you know that the voice actors of Mickey and Minnie actually got married in real life?

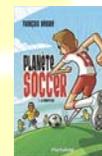

BOOK SUGGESTION

We Have Always Lived in the Castle by Shirley Jackson

LECTURE DU MOIS

Planète Soccer de François Bérubé
Pourquoi? C'est très facile! Tout le monde aime le sport! *Planète Soccer* est une excellente série qui parle de soccer, d'amitié, mais aussi d'intimidation. Au jeu!

BLAGUE DU MOIS

Un monsieur est en visite dans un musée. À un moment donné, il s'arrête et dit au guide :
« Ah! C'est laid! »
« C'est du Picasso, répond le guide. »
Il continue son chemin et il s'écrie de nouveau :
« Ah! C'est toujours laid! »
« Ça, Monsieur, c'est un miroir, répond le guide. »

ÉNIGME DU MOIS

Avant-hier, Catherine avait 17 ans. L'an prochain, elle aura 20 ans. Comment est-ce possible?
