IB Learner Profile

The aim of all IB programmes is to develop internationally minded people. As IB learners, our students must strive to be:

- **Thinkers:**
Design Class (September)
- **Communicators:**
Language A (October)
- **Risk-Takers:**
Arts (November)
- **Caring:** Community and Service (December)
- **Reflective:**
Math (January)
- **Inquirers:**
Science (February)
- **Open-Minded:**
Language B (March)
- **Principled:**
Social Sciences (April)
- **Knowledgeable & Balanced:**
Personal Project and Physical Education (May and June)

At the end of each month, one or two IB students per subject-specific class will be awarded a certificate of excellence.

Multicultural Food-Fiesta 2015

Secondary 2 IB students are beginning their preparations for the Multicultural Food-Fiesta. The Food-Fiesta is a celebration of cultures through food. This celebration will take place at lunch time on March 20th, 2015. On this day, students will bring a variety of cultural food samples to share with the students and staff.

Personal Project (Sec. 4 & 5 Students)

Il ne reste qu'un mois avant la remise des projets (remise prévue le vendredi 27 février au plus tard). Nous avons hâte de voir ces projets qui sont très prometteurs. Cette année, nous verrons différentes campagnes de sensibilisation, un film 3D, une robe de bal, différents livres, des peintures, une chambre redécorée, un cours de danse, des pâtisseries, des créations musicales, un modèle de voiture, un monologue, une thèse, des performances athlétiques, différents documentaires et d'autres créations personnelles.

Pour les élèves de **secondaire 4**, attendez-vous à ce que nous venions vous voir au début du printemps pour que vous choisissiez votre sujet de projet et que vous vous embarquiez dans cette belle aventure!

Sec. 5 IB English/Language A (Mr. Thivierge)

Students in English are beginning the novel NIGHT by Elie Wiesel, which will culminate in thematic presentations as well as a creative photo montage set to music. A trip to the Holocaust museum and an opportunity to meet a witness of those dark times is also being organized for March.

Giving Back to the Community Through Art

Sec 3 IB students are creating a hand-stitched smock, which will be donated to some of the kindergarten classes of our feeder schools in LaSalle and Verdun. The students learned how to create a pattern and sew the backstitch. The smocks have a front pocket that the students have cut and sewn on. They are now using silkscreen ink to paint a design on the pocket.

IB Hoodies Are In!

All students who ordered an IB Hoodie should stop by the IB Office (B-220) and claim their hoodie A.S.A.P. Please remember that IB Hoodies are not part of the uniform and therefore are not to be worn in class.

Science Fair

All science students are eagerly anticipating this year's local science fair, taking place February 11th, 2015. Outstanding projects will be selected to attend the Hydro-Quebec Science Fair at Concordia University in March 2015.

Exams, Parent-Teacher Interviews... and March Break!

Congratulations to all students who worked hard and honed their study skills during the January exam period. Well done!

On **February 12th, 2015**, we will have our second round of parent-teacher interviews.

March Break: March 2nd to March 6th, 2015 - **Enjoy and Relax!**
