Hey Sec 5s!

For those of you who have been accepted to CEGEP: Everyone must take an English Placement Test prior to registering for your CEGEP courses. Please see your student account portal (a.k.a. OMNIVOX portal) ASAP for info on how to register for your placement test. They are scheduled from Mid-May until early June so register today! Please note that most Quebec students who have graduated from a high school in the past three (3) years do not write a French Placement test for CEGEP. The level of French in which you will be placed in, will be based on your final Sec. 5 French grades. Please see Ms. Lana if you have any questions.
