Dickson June 11, 2024

DATE OF GOVERNING BOARD APPROVAL

GOALS OF THE ANTI-BULLYING AND ANTI-VIOLENCE (ABAV) PLAN

This plan specifies the duties and responsibilities of the relevant parties of the school **community** and the school **partners** in achieving this.

- Outline the responsibilities of all parties towards the elimination of bullying and violence in the school community, including the responsibility of parents to promote a positive and respectful school climate inside and outside school.

- School boards must see to it that each of their schools provides a healthy and secure learning environment that allows every student to develop their full potential, free from any form of bullying or violence.

- School boards must also ensure a healthy and secure working environment for their staff, and the staff must participate in ensuring a safe and respectful working climate.

- The plan is designed to support the optimal conditions required to guarantee the fundamental right to dignity, equality, and integrity, while respecting the unique character of each individual.

School Community Parties:

Students, Staff, School Administration, School Board, Governing Boards, & Parents.

School Partners:

DEFINITIONS as applied in ABAV

Bullying

- “the word “bullying” means any repeated direct or indirect behaviour, comment, act, or gesture, whether deliberate or not, including in cyberspace, which occurs in a context where there is a **power imbalance** between the persons concerned and which causes distress and injures, hurts, oppresses, intimidates or ostracizes” ([art. 13, par. 1.1, QEA](#)).

Violence

- “The word “violence” means any **intentional** demonstration of force of a verbal, written, physical, psychological or sexual nature which causes distress and injures, hurts, or oppresses a person by attacking their psychological or physical integrity or well-being, or their rights or property” ([art. 13, par. 3, QEA](#)).

Sexual Violence

- “The concept of sexual violence refers to any form of violence committed through sexual practices or by targeting sexuality, including sexual assault. It also refers to any other misconduct, including that relating to sexual and gender diversity, in such forms as unwanted direct or indirect gestures, comments, behaviours or attitudes with sexual connotations, including by technological means.”
<https://www.legisquebec.gouv.qc.ca/en/document/cs/p-22.1>

Racism

1. ANALYSIS OF THE SITUATION

Description of the findings that emerge from the situation analysis with respect to bullying and violence

Since we don't have data to suggest that a change in priorities would be warranted, we will base ourselves on our previous year's data of Our School Survey that indicated that Stress and anxiety levels are on the rise amongst students compared to the Canadian average . Students need to feel safe attending school.

Priorities identified with respect to bullying and violence

-We will continue to provide support for students to manage stress and anxiety and will help students be more engaged, therefore will help increase their academic potential.

- Providing students with a safe place to learn will help engagement and academic success.

- Continue to foster positive relationships, maintain/ increase support systems currently in place, increase a sense of belonging.

- Continue to monitor the number of acts of violence and bullying incidents (Marginalized students racial, LGBTQ2S+).

Secure a full time student supervisor yearly.
