Orange shirt day!

September 30th

Why is orange day important?

Because it honors residential school survivors, their families and the children that never returned home from these schools.

Why do we wear orange shirts?

To raise awareness, show indigenous communities that we're here to ensure the truth about residential schools so they never get put in the past and continues to be a day of remembrance.

(Reminder please wear school uniform bottoms. It is not a full dress down day.)
