

# WASKY WEDNESDAY

Roughly, only 1/4th of ginger cats are female. The reason is that the gene for ginger colour is recessive and found on the X-chromosome so female cats require 2 copies of the ginger gene while males require only 1 copy

# DID YOU KNOW?

# Most Ginger Cats are Male

# ROSH HASHANAH

Rosh Hashanah is the New Year in Judaism. The biblical name for this holiday is Yom Teruah. It is the first of the High Holy Days.

# Orange shirt day!

September 30th

### Why is orange day important?

Because it honors residential school survivors, their families and the children that never returned home from these schools.

### Why do we wear orange shirts?

To raise awareness, show indigenous communities that we're here to ensure the truth about residentials schools so they never get put in the past and continues to be a day of remembrance.

(Reminder please wear school uniform bottoms. It is not a full dress down day.)

#### Air Canada's Young Women in Aviation Day
