

The image shows the exterior of a school building with a modern, geometric facade. A large blue circle is overlaid on the center of the image, containing the school's name and the title of the publication. The building has a brick base and a grey upper section with decorative panels. A Canadian flag is visible on the left side of the building. The sky is clear and blue.

DAILY HOWL

February 24th, 2026 | Day 6

Tuesday Trivia

Who was the first African American to win the Nobel Peace Prize?

00:30

Answer

Martin Luther King Jr.

ESSENCE festival New Orleans

The festival started in 1995 to celebrate the 25th anniversary of Essence magazine and to commemorate black culture. The festival has been held continuously since 1995, until 2020 when it was cancelled. It has since returned with an attendance of 500,000 in 2025.

Garrett Morgan

Ever wondered where the yellow traffic light comes from?

It was invented by Garrett Morgan!

In 1923, Garrett witnessed a car crash into a horse carriage because of red-green traffic lights. To prevent future crashes, Garrett invented the 3-way traffic light with the new yellow light representing “slow”.

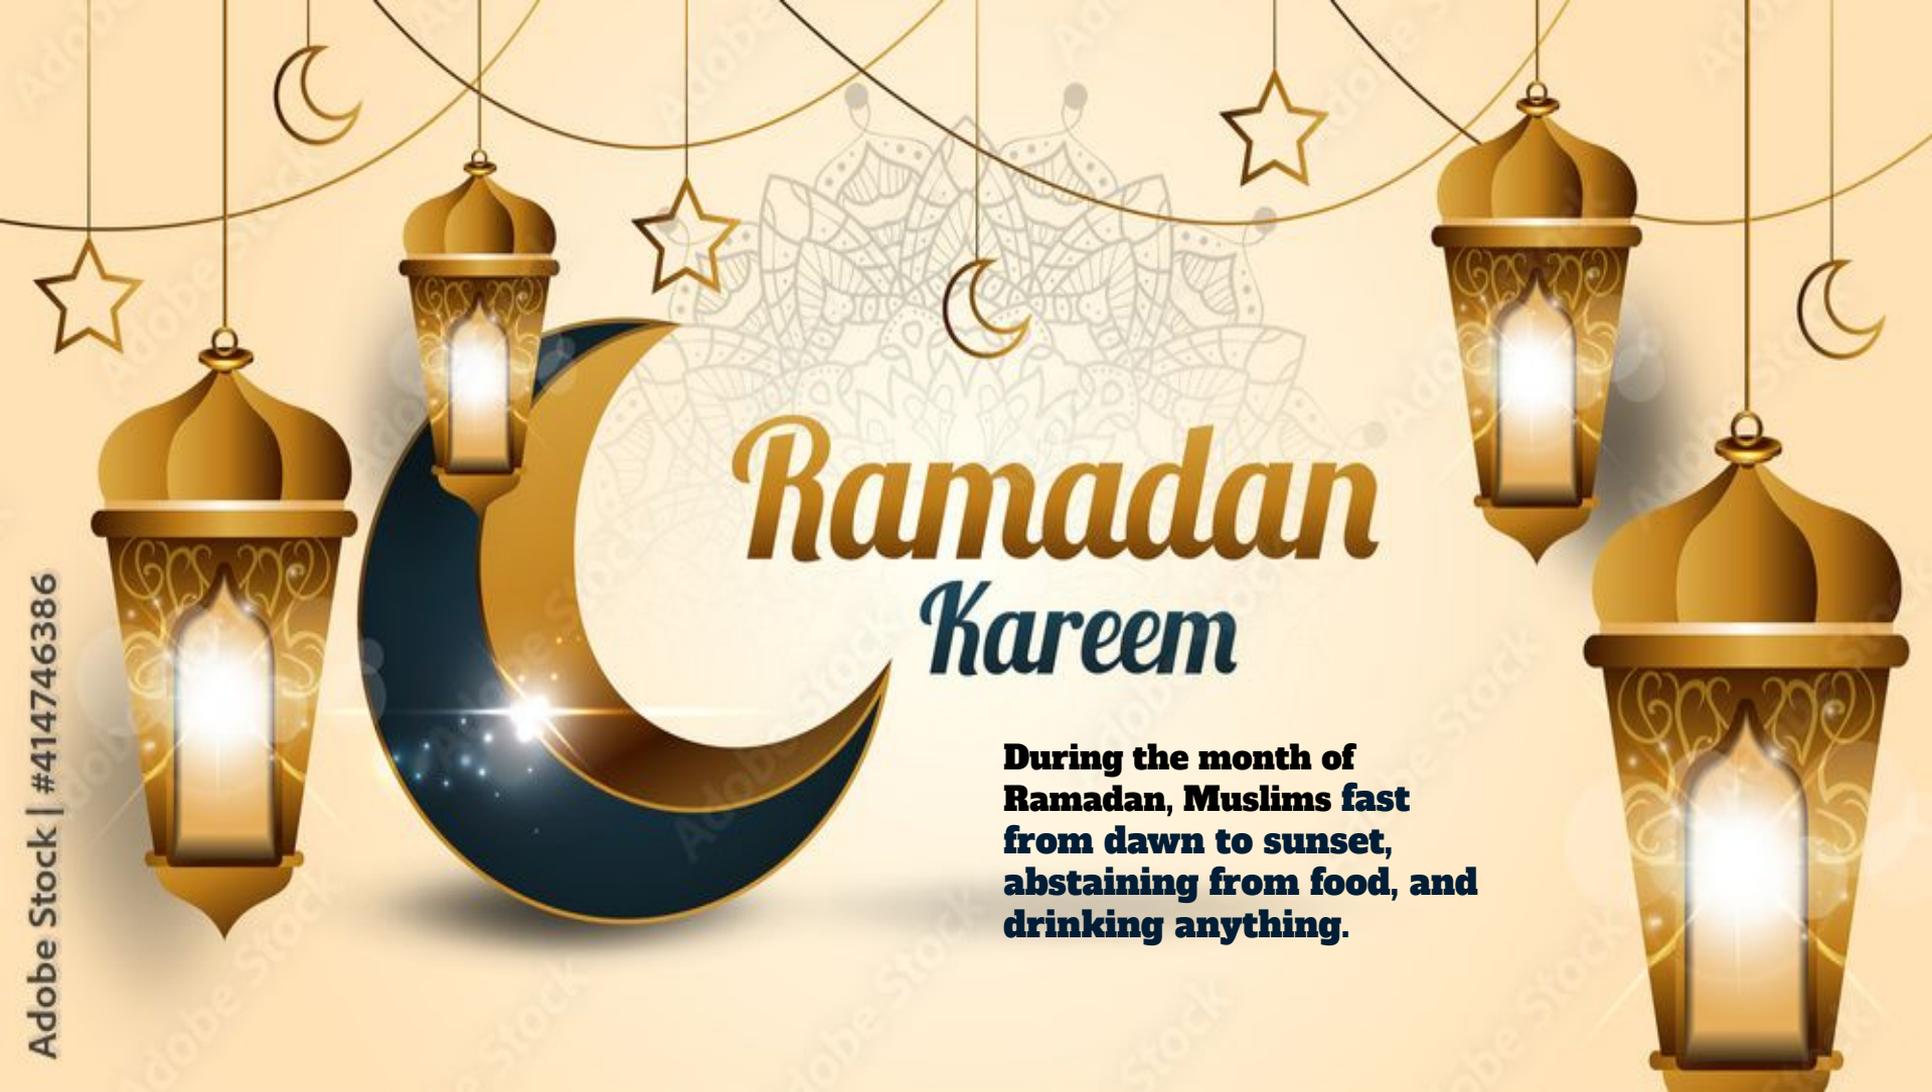

40 Days Of Lent

Lent is a period of 40 days where Jesus fasted and was tempted in the wilderness. Christians are called to prepare for holy week, specifically the crucifixion of Christ and His resurrection three days later on Easter.

This is a season of repentance, prayer, fasting, and almsgiving (giving to the poor).

Lent begins on Ash Wednesday (February 18th), six and a half weeks before Easter. During Lent Christians are called to give up something that they enjoy. (This could be anything from candy to swearing, just as long as it's meaningful.)
